This letter is satisfactory to me and I would be happy to sign this and get it notarized. Can I just print this and get it notarized?

Thanks Todd Wilhite

Hi Todd,

I just talked with Boyd. He is looking into doing the transfer, but he wants a few more details first. He is going to send me a few more questions. Once I get them, I will pass the additional information he is requesting on to both of you.

Assuming Boyd decides to go forward with the transfer, we will need to have the Division's formal transfer forms signed by each of you and notarized. They involve some paperwork on Boyd's end.

Here is the form we would use. You would sign the Transferor page (page 2): [https://fs.ogm.utah.gov/pub/mines/minerals\\_related/forms/MR-TRS.pdf](https://fs.ogm.utah.gov/pub/mines/minerals_related/forms/MR-TRS.pdf)

Let me know if there are questions.

Peter

So is the next stage for me to just wait until I hear from you ? Is there anything that I need to do right now? I noticed on the letter that you sent me that he had an November 1 deadline where are we with that?

Thanks Todd Wilhite

You could fill out the paperwork on your end (page 2) if you wanted, but I won't ask for that required paperwork until I know for sure that Boyd wants to do the transfer. I will print your email to me, with my response, so that it's clear you are working to resolve this before Nov 1st, and that we are waiting for Boyd at this point.

By the way, the letter we sent to the following address was returned:

Todd Wilhite

Wall & Rock, Inc.

3651 North 100 East, Suite 300

Provo, Utah 84064.

Do you have a better mailing address? Thanks.
